Hello [REDACTED]

I got your name and email from my brother Tim.

I'd like to submit this script for Pre-Publication Review. I wasn't sure if I was supposed to send it to you or to FBIHQ.

It's for Criminal Minds on TV so it's on a really fast schedule.

I'd appreciate it if you could get it in line for review as soon as possible.

Thanks for you time and consideration,
Jim Clemente

I have been assigned to the 3rd party civil litigation matter involving the events of 9/11. Our office has been instructed to assist the parties in the litigation, to the best of our ability, without revealing classified or LEP information.

The Defense counsel in the 9/11 litigation has requested permission to utilize former FBI EAD Larry Mefford as one of their "experts" on security measures pre and post-9/11.

I had a conference call with the AUSAs assigned to the case, as well as the Defense Counsel, and Defense Counsel is willing to jump through whatever hoops are necessary. They provided us the "expert report" (attached) which states a summary of the issues he expects Mefford to testify on and the public sources he has utilized to come to these opinions.

My unit chief suggested that I reach out to the pre-publication office to discuss whether there was any vetting that needed to be done, before approval could be given.

Could you please give me a call when you have a moment to discuss this further? We are on a short deadline to make a determination.

Sincerely,

Like I had mentioned on the phone, I apologize for the tight timeline. I was not told I would be presenting until Monday. I realize this is a huge favor to ask, but if I would be able to get an answer by week's end, I would be extremely appreciative. The conference is Wed. 5/11, but I am planning to travel on Sunday for it.

Sincerest Thanks,
